November 2022

“There has been a tremendous impact on my ministry...”

On Saturday, September 24th, 2022 Ishiara Bible School, an AABS member school in Kenya, held a graduation ceremony for its graduates. Eighteen students had committed to studying the Biblical curriculum and completing the necessary courses to obtain AABS diplomas.

When asked to share about his studies, Jacton Mwaniki Njuki exclaimed, “There has been a tremendous impact on my ministry caused by this training. Members have confidence when I teach them, and they are inviting friends to come and hear the teachings. My experience in our class was vibrant due to the participatory nature of engagement between the trainers and the students in all sessions... My best opinion is that, if this training could continue, it will change the way ministry is done to the glory of God.”

One of the pioneer students of AABS, Mary Nkirote Kinoti, shared, “Before I enrolled I had questions on why the church leaders act the way they do, but from teachings I realized some lack leadership skills, information and the knowledge in the areas they are leading. Today I am informed and have a better understanding in many areas, my ministry is better and thriving after I enrolled in this class.”

We praise God for the 18 graduates who committed their time to studying the Bible. We are excited to see the hand of God over Africa and the transformation that is taking place through the power of His Word. Your partnership is resulting in changed lives and leaders, for God’s Kingdom!

As always, we welcome your financial gifts so that transformed lives continue to happen. Contributions may be sent to AABS, PO Box 556, New Holland, PA 17557, or given online through our website, www.friendsofaabs.com

Our sincere - Thank you!

JC Ebersole
Executive Director

Please Note: AABS will not participate this year in the Lancaster County ExtraOrdinary Give event, but in its place, please look for our year-end giving appeal letter.
