The Kenya Pastors' Conference was Fantastic!

Preparing the Way Ministries, led by Randy and Bonnie Martin, organized a pastors' conference held in Kenya on May 24-27. The purpose of this conference was to equip church leaders and prepare the church for Christ's return. Approximately 385 church leaders attended this conference.

One of my teaching sessions. Translator standing on right.

A Kenyan-based worship team led anointed worship sessions, and nine equipping topics were presented multiple times by a team of Kenyan and U.S. teachers. I had the opportunity to explain the AABS training program to all attendees. This was done repeatedly in smaller groups in seven workshop sessions. Much interest was expressed by various leaders in each of the groups. Randy Martin is our AABS Kenya National Director, and he will follow up with these persons. I thank God for this opportunity to present our biblical training program to many more pastors, and, hopefully, we can collaborate together in training church leaders and workers for Kingdom work!

Contributions to AABS may be sent to PO Box 556, New Holland, PA 17557, or given online through our website www.friendsofaabs.com. Thank you in advance for your generous donations so that we can continue assisting church leaders to organize local Bible Training Centers.

All for Jesus,

JC Ebersole, Executive Director
