“It was an interesting journey and I give all glory to God”

In December of 2021 Rev. James Atta Odoom, our West Africa Region Director, traveled to Guinea and introduced AABS to pastors and church leaders. The trip was split into two separate launches: one was held within the capital city of Conakry and the other at a suburb of the capital called Sanoyah. Thirty participants were in attendance at the first launch at Conakry, which included pastors, their wives, and church leaders. Rev. James shared the vision and mission of AABS as well as what AABS offers. Rev. James reported that many participants were excited about AABS and expressed interest to start their own Bible schools with the help of AABS. In total, ten pastors and church leaders attended the second launch at Sanoyah where AABS was also introduced.

Reflecting on his travels Rev. James noted, “In summary the two launches at Guinea were successful. The most important thing is that we offer prayer for the rest of those who were present. Guinea is predominantly an Islamic country (88% Muslim) so a lot of prayers and follow up needs to be done to accomplish our goals. It was an interesting journey and I give all the glory to God.”

We wish to extend a huge “thank you” to each one of our supporters. With your support, prayer, and donorship, two AABS launches were made possible to the people of Guinea. Thank you for the difference that you are making in the lives of others with the spread of the gospel.

As always, we welcome your financial gifts for the continuation of the ministry. Contributions may be sent to AABS, PO Box 556, New Holland, PA 17557, or given online through our website, www.friendsofaabs.com.
