# AABS Presented to over 2000 Pastors in Kenya!

AABS at the *Prepare the Way Ministries (PTW) Conference* hosted at the Technical University of Mombasa. in Ukunda, Kwale CLast month, a delegation from Kisumu, led by Dr. James Tembula, (our AABS representative in Kenya), was privileged to represent county. There, they joined more than 2,000 Christian leaders in fellowship, prayer, learning, and vision-sharing.

## Sharing the Vision of AABS

Dr. Tembula and his team were honored with the opportunity to present the structure and vision of AABS. Though brief, the presentation stirred great excitement. Many pastors and leaders shared how they long for training but face challenges—tuition costs, transportation, accommodation, and the sacrifice of leaving their young congregations unattended.

When they heard about the AABS model, many testified that it felt like an answer to prayer. For them, AABS offers a practical, life-giving pathway to grow in knowledge while continuing to shepherd their churches and care for their families.

## Fruitful Connections

Beyond the conference sessions, the team had meaningful personal interactions with more than 50 pastors and distributed 150 flyers. From these, 30 leaders have already expressed a desire to journey with AABS. These new connections span seven counties, with an additional possibility of partnership with *Arise Africa Ministries*.

They are now in conversation with these leaders about establishing training centers in their regions—bringing Biblical education closer to where it is most needed. This experience confirmed the deep hunger for accessible, Christ-centered training among God's people.

## Looking Ahead

On August 22, the delegation traveled again to the same area to meet with two Bishops and discuss AABS programs. By God's grace, we agreed to begin our first class there in **November 2025**. We are trusting the Lord to establish at least **two new schools before the end of this year**.

Your prayers, encouragement, and financial partnership make it possible to equip pastors and leaders with the tools they need to serve faithfully in their communities. Together, we are advancing God's kingdom by making Biblical education accessible, affordable, and transformative. Contributions may be sent to AABS, PO Box 556, New Holland, PA 17557 or given through our website, [www.friendsofaabs.com](http://www.friendsofaabs.com). Thank you!
