Testimonies from Bible Schools in Africa!

As we give thanks to God for His faithfulness, we are delighted to share testimonies from several Bible schools across Africa that remind us why this ministry matters. These reports are more than updates—they are evidence of the Lord at work, raising up leaders, strengthening schools, and extending the reach of the gospel through faithful servants. From challenges overcome to lives transformed, each testimony reflects God's grace and the fruit of your prayers and partnership. We trust these stories will encourage your heart as they have encouraged ours.

- "Many church leaders are calling us and asking for our school due to the impact of graduates in their churches" *College of Theology and Administration, Nigeria*

- "The courses have helped us to produce effective pastors and church workers." *Harvesttime Bible Training Institute, Ghana*

- "With curriculum provided by AABS, we are making excellent progress, and the students' satisfaction gives us the conviction that all of Africa will belong to Christ" *Institut Biblique Des Moissonneurs, Togo*

"My name is EZE Evangeline Chika a graduate of Leaders Theological Institute. Am here to thank God for changing my life totally from easily irritated person to loving caring person, all these were possible from the life changing courses we studied like "Teachings of Jesus." All glory to Jesus Christ." *Leaders Theological Institute, Nigeria*

- "AABS made Bible school easy and affordable" *Fountain Bible Institute, Nigeria*

We are grateful to hear reports from the Bible schools of how the curriculum is helping them to raise leaders who are more fully trained to accomplish the calling that God has on their lives. **Thank you for joining with us to make this possible.**

We held our annual banquet at Shady Maple banquet center recently. Thank you for all who were able to attend! We had a wonderful time of fellowship and hearing about what God is doing through AABS around the world. Through your generosity, we received over 10% of our annual budget and are excited about what God will do moving forward. Thank you to Hostetter Grain, Inc. (Oxford, PA) for being a Gold sponsor for the event!

If you feel led to continue or deepen your partnership, we welcome you to do so as the Lord guides you. We value your faithfulness and are thankful for every way you stand with us in this ministry. Thank you! May God generously reward you!

All for Jesus,

Tim Ingold, Administrative Director

AABS Mission Statement:

"Making Biblical education available and affordable in local churches and communities around the world"
