

December 2023

Our Administrative Director, Tim Ingold, embarked on a recent journey to the beautiful landscapes of Costa Rica. His mission? To connect with Bible schools using our curriculum and forge meaningful relationships with the passionate leaders driving spiritual growth in the region. Tim had the incredible opportunity to immerse himself in the vibrant atmosphere of various schools who are using the AABS curriculum, attending classes and witnessing firsthand the transformative impact of our curriculum. The joy was palpable as students engaged deeply with the teachings, their enthusiasm was an encouragement and a blessing.

Tim's visit reached a pinnacle at the annual conference of the Red Ministerios de Peniel (Peniel Network of Ministries), where Mario Araya, the esteemed leader, generously provided a platform for Tim to showcase the AABS curriculum and extend an invitation to join our growing community. Tim's presentation resonated with the assembled leaders of churches and ministries, sparking a collective excitement about the possibilities of collaboration. As we continue to extend our reach globally, these experiences reaffirm our commitment to empowering individuals and communities through the enriching power of education. We're thrilled to see our curriculum making a meaningful impact and look forward to the continued growth of these inspiring partnerships in Costa Rica and beyond.
