Highlights from our International Seminar

Hello, dear friends and supporters,

We are thrilled to share with you the incredible success of our recent international seminar, "How to Organize and Operate Your Bible School." This seminar brought together leaders and educators from eight different countries: Mexico, Haiti, Dominican Republic, Costa Rica, India, Uganda, Ghana, and Thailand. The event was a remarkable gathering of like-minded individuals who are passionate about sharing the Word of God and making a positive impact in their communities.

One of the most inspiring aspects of the seminar was the incredible diversity of perspectives and experiences that our participants brought to the table. Our attendees hailed from different corners of the world, each with their unique challenges, goals, and visions for their Bible schools. This diversity enriched the discussions, providing fresh insights and innovative solutions that can be applied universally.

Dr. John Boateng shared a number of creative ideas from his many years as a Bible school director in Ghana. We had a discussion panel where those who are already operating Bible schools shared wisdom they have gained for the benefit of those who are considering starting their Bible schools. We had breakout groups where each ministry could share where they are in their process and what challenges they are facing. Other leaders provided ideas, and there was a time of prayer.

As we reflect on the success of this seminar, we are filled with hope and excitement for the future. The connections made and the knowledge gained will undoubtedly lead to more effective and impactful Bible schools in these eight countries and beyond. We are committed to continuing our support and collaboration with these dedicated leaders.

We would like to extend our heartfelt gratitude to all our attendees, speakers, and partners who made this event a resounding success. Together, we are making Biblical education available and affordable in local churches and communities around the world. Stay tuned for more updates and exciting news from AABS. With your support, we look forward to many more successful events and endeavors in the future. Thank you for being a part of this incredible journey.
