October 2026

Faithful Give: Partnering Together for the Kingdom!

A spiritual son of Rev. James (our West Africa Region Director) said that whenever he left the country, the leaders of his church would argue about who is in charge. Rev. James encouraged him to start a Bible school, so he registered with AABS and started a school. After he sent all his leaders to receive a certificate in Church and Ministry, people understood their roles, and he said it is like a miracle, things operate smoothly when he is gone.

We are thankful for the opportunity to participate in **Faithful Give 2026**, a special three-day giving event that brings together generous donors and faith-based organizations to pray, give, and encourage ministries that are serving others in the name of Jesus. As we look toward to this year's event, which will take place **October 18-20**, we are trusting God for **\$15,000 in gifts to AABS**. Friends of AABS have already committed **\$4,900 toward a matching donation fund**. We give thanks for those who encourage others to participate and are praying that God will use this matching opportunity to multiply the impact of every gift. Your support through Faithful Give will help AABS continue several important areas of ministry.

One of the exciting initiatives we are beginning is our new Small Business Development course. Through our partnership with Global Disciples, AABS is adapting their interactive business training for use by our associated Bible schools. The goal is to help students learn practical skills for starting and developing small businesses that can help support their families and ministry.

AABS is also developing an accreditation option for associated schools that desire greater recognition of their Bible training programs. Schools in several countries are asking for this opportunity as educational expectations continue to develop. Our accreditation process is designed to help schools strengthen their governance, resources, faculty, curriculum, and overall educational practices while maintaining their commitment to biblical training.

God continues to open doors for AABS to serve Bible schools in new places. Our vision is to make biblical education available and affordable in local churches and communities around the world. As new opportunities arise, we want to have the resources and people needed to come alongside local leaders and help strengthen their efforts to train pastors and church leaders.

We are grateful for every person who prays for AABS, gives toward this ministry, or encourages others to become involved. Would you prayerfully consider helping us reach our goal of \$15,000? Checks can be mailed in advance to Faithful Give with the giving card below. During the event, donations can be made online at [All-nations Association of Bible Schools - Faithful Give](http://www.faithfulgive.org/cause/all-nations-association-of-bible-schools) (www.faithfulgive.org/cause/all-nations-association-of-bible-schools)
